The challenge to transcend drives us forward.

There is no settled benchmark, nor permanent milestone.

The pinnacle today is just another peak tomorrow.

Because when you believe in more, the bar is always set higher.

When you believe in more, you have the power to create future.

A future where there is more in store for you.

30 Years of  
**DELIVERING MORE**

**Journey of S.A. AIR CONDITIONING began in 1989 when our Founder Mr. Premchandran K., started manufacturing of air conditioners.**

In 2006, after 17 years of hands-on experience in AC manufacturing, S.A. Air Conditioning joined hands with Voltas for AC sales & service dealership. Over the years, driven by the strength of our expert know-how and passion to provide top-notch service, we expanded our dealership business and associated with other leading brands in the industry. Our outstanding performance has earned us the coveted title of **“All India Highest Performing Dealer, 4 times for Voltas and 1 time for Panasonic.”** At present, we are no.1 dealer of Voltas and Mitsubishi for Gujarat region. We strive to continue our journey on the path of progress and pledge to deliver more.

Creating  
MORE VALUE

Cutting-edge Heating Ventilation & Air Conditioning solutions is hallmark of S.A. Air Conditioning since 1989. In alliance with the world's leading brands like Mitsubishi, Panasonic, O-General, Daikin, Hitachi, and Voltas, S.A. Air Conditioning brings to you widest gallery of most innovative, energy efficient and sophisticated air conditioning systems.

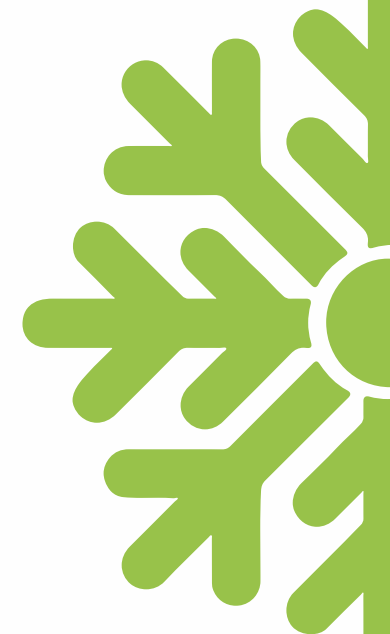

We understand clients' unique needs and provide thoughtfully engineered solutions. Our expertise ranges in HVAC solutions like Window and Split ACs, Cassette and Tower ACs, Ductable ACs, VRF Systems, for residential, commercial, institutional and industrial projects.

We emphasize upon creating more value through rapid delivery & installation, best-in-class after-sales service, excellent safety & hygiene standards, and long-term client relationship.

With S.A. Air Conditioning, you are not just buying air conditioning solutions, you are buying the promise of uninterrupted climate control experience and peace of mind.

We welcome you to our exclusive MEQ showrooms to feel a signature experience of superior climate control and energy-efficient performance.

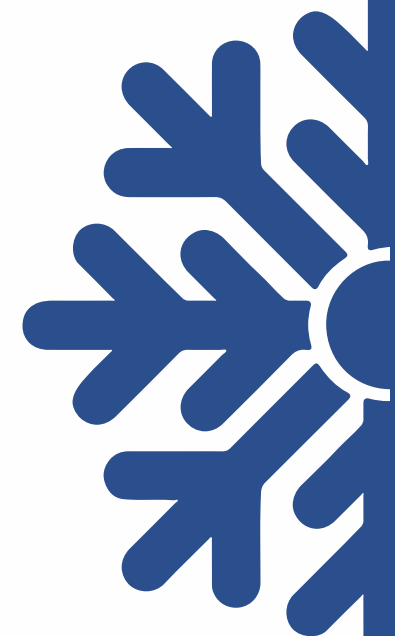

More than ready  
**TO SERVE YOU**

S.A. Air Conditioning brand is built on the promise of best-in-class service. When you buy an air condition solution from us, you get the hands-on support of our dedicated in-house service technicians and back office team. Unlike common practice in the industry, we do not reroute customers to OEMs for service. Instead we have an in-house team of more than 100 service technicians trained by OEMs so that we can cut down on service lead time and improve service efficiency.

Our capable team of site engineers has expertise to install air conditioning products in the most challenging and complex environments in a way that offers most effective cooling experience.
